
TIREE MUSIC FESTIVAL 2016
15TH - 17TH JULY
OFFICIAL
PROGRAMME

WELCOME

Hello and welcome to the island of Tiree and **Tiree Music Festival 2016**!

We are now in the 7th year of **TMF** and we as a team are delighted to welcome 2000 people to the festival – more than treble the capacity of the first event back in 2010!

TMF 2016 features three stages presenting the most exciting line up from international acclaimed acts like **Levellers** and **Flook** to the brand new Scottish band **Tide Lines** performing their first ever gig. We also have our first performer from **Nashville** and are delighted to welcome **Jesse Terry** to our island and festival.

This year's **TMF** Community Village - including the CalMac Live Lounge stage - is packed with a host of creative activities and the best of west coast produce from Argyll Foods. As well as the music, Basking Shark Scotland will be offering special boat tours during the weekend and also watch out for the first ever **TMF** 'flash-mob' co-ordinated by Eden Court Creative who will be hosting a series of creative activities all weekend in the community village.

Those of you that were with us last year will no doubt remember what is now named '*Hurricane TMF*'. It is only right that we acknowledge the huge part that so many played in ensuring the safe evacuation of the site and then the superhuman effort to get the festival back up and running for the rest of the weekend. It was something the team will never forget

and will be forever grateful to you all. This inspirational story was recognised by the *Highland & Islands Awards* with **TMF** collecting *Best Cultural Event* and also receiving a special commendation at both the *UK Event Awards* in December and the *Scottish Thistle Awards* in March.

TMF is once again made possible by our sponsors and amazing team of volunteers – now know as Team **TMF**, look out for them and say thanks to them throughout the weekend. A special thanks to Cairn Capital who have again committed themselves as main sponsor of **TMF**, making it possible for a small festival such as ours to have 3 stages and so many great bands.

If you are reading this from back home and are not experiencing the **TMF** atmosphere this weekend, you will be delighted to know that BBC ALBA are filming again this year with increased coverage of 11 episodes and 6 hours of footage capturing the best of the music and craic throughout the weekend.

Once again, welcome to Tiree and **TMF 2016** – have a fantastic weekend and we hope to see you again in 2017!

Stewart MacLennan & **Daniel Gillespie,**
Directors of Tiree Music Festival C.I.C
